

**TRADITIONAL JOB OR PURE ROMANCE?
WHICH WOULD YOU RATHER DO?
MAKE THE COMPARISON YOURSELF.**

TRADITIONAL JOB:

- ▶ Boss determines when you get your raises.
- ▶ Little or no control over your work schedule or schedule changes.
- ▶ The profit generated by your hard work is going into someone else's pocket.
- ▶ You have to put your children in child care instead of being home with them during the day (when they are young & need you the most).
- ▶ Working a full time job may not be worthwhile due to the rising cost of daycare.
- ▶ Your vacation time is determined by someone else
- ▶ Mileage, communications and business equipment are not deductible on your taxes
- ▶ Often not rewarded or recognized when you've done a good job.
- ▶ Not always a supportive environment for women.
- ▶ You have very little say in how things should be done.

VS.
