“ It feels great to be able to help so many women change their lives for the better. I’ve helped women fall back in love with their husbands, breathe new life into lifeless relationships, as well as improve their self-confidence and self-esteem. Each time I make a difference in another woman’s life, it renews my passion for Pure Romance! ”

Terri, OH Consultant of 7 years

“ I decided to try Pure Romance because I had always been intrigued by the double standard that women were faced with when it came to female sexuality. With Pure Romance, I found that I was able to empower women and give them the tools and education to take ownership of their intimate lives - some of them for their first time! ”

Heidi, GA Consultant of 2 year

“ During my first year and only working part-time hours, I sold \$51,000 in product in which 40% was mine as profit! I had begun by doing parties to cover my car loan, and within 6 months, I was making enough to pay my car loan and half my rent. ”

Daphne Martin, MD Consultant of 3 years

“ Pure Romance is really a job that you get what you make of it. You can be successful or sit at home and wonder why you’re not. It’s my choice to succeed or fail. I have chosen to succeed, within two years of becoming a Pure Romance Consultant I have made the Board of Directors, bought myself a diamond ring and bracelet, and made great new friends, all of which would not have been possible without Pure Romance! ”

“ I live my life differently now thanks to the confidence and self-esteem I’ve gained with being a Pure Romance Consultant. I walk with confidence, I look people in the eye when we are speaking, and I feel good about myself and what I do for others. I help women with the most intimate and personal aspect of their life. How could I not be proud of that? ”

Amy Frost, IN Consultant of 5 years

“ The biggest benefit I have received by being a Pure Romance Consultant is that I am able to be a stay-at-home mom for my three girls. Being a Consultant has allowed me and my family to live in a nicer home in a great neighborhood. The flexibility I have with my schedule means that my girls don’t ever have to spend time in daycare. I have also made some of the best friends of my life through Pure Romance. ”

Nancy, WA Consultant of 3 years

“ I feel very fortunate that I love what I do. Most people can’t say that about their jobs. I’ve always enjoyed doing the parties; they are tasteful, classy, educational, and FUN! But what I enjoy the most is helping other women change their lives through the success and independence they can achieve with Pure Romance. ”

Cheryl, CA Consultant of 2 year

“ It amazed me how easy it was to get started with Pure Romance. Within 2 months my business was rocking. I had over \$10,000 in Retail Sales in a month and I could barely keep up with my bookings! Very rarely do people get to say they love their job! I say it every time I make someone laugh or help them with a problem. Who gets to go to a party every time they work? People who want to have fun and earn an outstanding income . . . Pure Romance is for you! The sky is the limit with what you can earn! ”
